

# MACHINERY

Index to Vol. XXXIII  
September 1926—August 1927

1927

THE INDUSTRIAL PRESS  
140-148 Lafayette St.  
New York

# Index to MACHINERY

<b>A</b>		
Abbey, E. F., Obituary of.....	320-C	Spring Meeting..... 720
Abrasive Grain, Producing Uniform.....	320-A	Design of Transmission Shafting..... 724
Abrasive Grains, New Process for Testing.....	58	Machine Shop Practice Meeting..... 732
Auto-oiled" Shaper.....	64	Nomination of New Officers..... 824
Surface Grinding Machine.....	553	American Tool Works Co.:.....
Accidents and Production, Study of.....	923	"Auto-oiled" Shaper..... 64
Accidents, Employer's Liability for, Leo T. Parker.....	296	American Tools Copied in Germany..... 178
Accidents in the Industries, Eye.....	498	American Welding Society:.....
Accidents, Investigating Grinding Wheel.....	203	Advance Notice of Fall Meeting..... 26
Accuracy versus Generalities.....	90	Welding Exposition in Buffalo..... 114
Acetylene Association, Meeting of International.....	301	Fall Meeting with A.S.M.E..... 182
Ackerman, Paul, Personal of.....	400-A	Joint Meeting with A.S.M.E..... 420
Acme Machine Tool Co.:.....		Anderson Bros. Mfg. Co.:.....
Brass Turret Lathe.....	951	Power Scraper..... 947
A. C. Spark Plug Co.:.....	315	Angle-iron Notcher and Bender, Whitney..... 391
"Adamant" Gun, Botfield.....	798	Angular Facing Attachment, Porter-Cable..... 148
Addison Leslie Co.:.....	432	Annealing Furnaces, Oil-burning, C. C. Hermann..... 357
Advertising, Amount Spent for National.....	939	Annealing Malleable Iron Castings in an Oil-burning Furnace, C. Chester Mark..... 518
Advice to Writers.....	902	Annealing Methods, Obsolete..... 246, 559
Aeronautical Exhibition, International.....	822	Apex Machine Co.:.....
Aeronautical Progress, Rapid.....	608	Tap and Drill Chucks..... 235
Aeronomics, Equipment for Studying.....	608	Apprentice, see also Education, School.....
Air Chucks and Fixtures:.....		Apprentice Question Again, The..... 98
1.....	761	Apprentice System, The Need for a National.....
2.....	814	Harold S. Falk.....
3.....	894	Apprentice Training, Railroad..... 280
Air Compressor, see Compressor.....		Apprentices, The Need for Shop..... 748
Air Drill for Power Feed, Using, E. P. Stoutenger.....	452	Arbitration Association, American..... 368
Air Filter, American Blower.....	311	Arbor for Holding Brass Casting, B. J. Stern..... 609
Air, Fixtures Operated by Compressed, B. J. Stern:.....		Arbor Press by Compressed Air, Operating Hand, F. Edgar..... 691
1.....	590	Arbors, Manufacturing Milling Machine, Frederiek B. Heitkamp..... 665
2.....	673	Arkin, Victor:.....
3.....	278	Self-contained Automatic Dial Feed..... 733
Air, Operating Hand Arbor Press by Compressed, F. Edgar.....	368	"Armor-Plate" Horizontal Punch, Buffalo..... 872
Airplane Developments in the United States.....	805	Arms, Clarence, Personal of..... 724-B
Airplane Engine, The Wright Whirlwind, Freeman C. Duxton:.....		Armstrong Bros. Tool Co.:.....
1.....	805	Spring Cutting-off Tools..... 475
2.....	917	Chrome-vanadium Steel Wrenches..... 639
Airplane Industry, the Next Great Industry.....	18	Art in Machine Design..... 178
Airplanes, Ford Three-engine.....	96	Artificial Leather in Machine Shops, E. T. Ellis..... 124
Airplanes not Costly, Small.....	491	Artisan Mfg. Co.:.....
Air Pump Repairs, Benches for, W. M. Cavin.....	8	Universal Milling Machine..... 639
Air-pump Valve-grinding Machine, E. A. Murray.....	689	Asbestos Clutch Facings, Blanchard Surface Grinder for..... 871
Air Receivers.....	34	Ashley, E. J., Personal of..... 804-B
Air Sander, Rotor.....	872	Assembling Fixture, Dowel-pin, B. J. Stern..... 110
Air Service between Egypt and India.....	220	Assembling Nut and Cap, Tool for, B. J. Stern..... 533
Air Taxis Limited.....	754	Assembling Parts of Small Mechanisms, Application of Knurled Bearing Surfaces in, J. K. Olsen..... 573
Air Transportation, Progress in.....	1, 578	"Auto-Arc" Westinghouse..... 309
Air Travel, Safety of.....	175	Inclinable-spindle Automatic Buffing Machine..... 791
Ajax Mfg. Co.:.....		Automatic Lathe, "Lo-swing" Model R..... 66
Reclaiming Car Axles in Forging Machines.....	383	Automatic Lathe, Turning and Facing Bell-housing Cases on a Semi..... 827
Alexander, J. P., Personal of.....	804-B	Automatic, New Gridley Single-spindle..... 827
Alignment Fixture, "Squared" Piston.....	146	Automatic, Potter & Johnston Platen-type..... 873
Allen-Bradley Co.:.....		Automatic Screw Machine, see also Screw Machine.....
Switch for Small Motors.....	478	Automatic Screw Machine, Lettering Roll for, Henry Simon..... 931
Allen, J. M., Personal of.....	240	Automobile Design, The Trend in..... 748
Allen, Redfield H., Personal of.....	560-B	Automobile Engine Parts, Multiple Drilling Operations on, William F. Sandmann..... 115
Allen, William H., Personal of.....	80-B	Automobile Engines, Machining Sleeve-valve Cylinder Heads for..... 685
Allis-Chalmers Mfg. Co.:.....		Automobile Engines, Making Yellow Sleeve-Valve, Charles O. Herb..... 492
Planer Drive.....	873	Automobile Sleeve-valve Engines, Inspecting, Charles O. Herb..... 567
Allis, Dexter W.:.....		Automobile Flywheels, Machining Hupp..... 361
Magnetic T-square.....	133	Automobile Industry, Six Months in the..... 964
Drawing Circles Free Hand.....	293	Automobile Industry, The Future of the, Edward S. Jordan..... 359
Parting Tool for Wood-turning Lathe.....	295	Automobile Plant, Increasing Production with New Equipment in an, Charles O. Herb..... 81
Allowance for Bends in Sheet Metal, Edward T. Heard.....	373	Automobile Plant, Inspection Devices in an, Charles O. Herb:.....
Alloy, Improved Die-casting.....	684	1..... 185
Alloy Steels to Locomotive and Railroad Construction, Application of.....	412	2..... 275
Alloys, Tool for Cutting Aluminum.....	929	Automobile Shows, National..... 217
"Alta" Power Hand Saw.....	319	Automobile Statistics, World's..... 160
Althoff, William, Personal of.....	320-D	Automobile Vehicle Registrations..... 124
Alto Mfg. Co.:.....		Automobiles and Machine Tools..... 98
Motor-driven Reaming Machine.....	315	Automobiles and Trucks from the United States and Canada, Exports of..... 170
Aluminum Alloys, Tool for Cutting.....	929	Automotive Engineers, Society of:.....
Aluminum Washing-machine Castings, Milling.....	61	Production Meeting..... 49, 97, 160, 880
American Arbitration Association.....	368	Annual Meeting..... 399, 420
American Blower Co.:.....		Summer Meeting..... 499
1 Air Filter.....	311	Number of Members of..... 656
American Broach & Machine Co.:.....	868	Spring Meeting..... 757
Hydraulic Horizontal Press.....	868	Automotive Industry, The..... 137
American Cable Co.:.....		Automotive Industry, Output of..... 572
How to Size Wire Rope.....	765	Automotive Plants, Surface Grinding Developments in, Charles O. Herb..... 654
Lubrication of Wire Rope.....	832	Automotive Standards Handbook, New..... 157
American Die & Tool Co.:.....	149	"Auto-oiled" Shaper, American..... 64
Universal Scroll Chuck.....	149	"Autosan" Cleaning Machine, Colt..... 788
American Engineering Co.:.....		Avey Drilling Machine Co., Inc.:.....
"Lo-Hed" Electric Hoist.....	706	Milband Cutting-off Machine..... 152
Motor-trolley Hoist.....	871	Aviation in Germany, Commercial..... 103
American Foundrymen's Association:.....		Aviation, Progress in Commercial..... 608
Convention.....	117	Axles in Forging Machines, Reclaiming Car..... 383
American Gas Accumulator Co.:.....	958	
"Elastic Stop" Safety Nut.....	183	<b>B</b>
American Gear Manufacturers' Association:.....		Babbitt Melting Pot, Trent..... 714
Fall Meeting.....	263	Babbitt Machine, Centrifugal..... 72
Symbols for Gearing.....	745	Baker Tool Co.:.....
Eleventh Annual Meeting.....	19	Double-spindle Grinder..... 702
American Industry, Congress of.....	44	Leaf Spring Grinder..... 868
American Machinery in Japan.....	217	Baker Bros., Inc.:.....
American Management Association:.....		Hydraulic Boring and Drilling Machine..... 541, 706
Fall Convention.....	160	Bakewell, George M., Personal of..... 400-A
American Railway Tool Foremen's Association:.....	724	Balancing, Balancing Machine, Gisholt Static..... 634
Fourteenth Annual Convention.....	941	Balancing Machine, "Micro-Poise"..... 147
Fifteenth Annual Convention.....		Balancing Machine, Tinius Olsen..... 470
Annual Meeting.....		Balancing Scale, Olsen-Lundgren Weighing..... 320-A
American Society for Steel Treating:.....		Balancing Ways, Charles Kuzler..... 215
Convention and Exposition.....	104	
Exhibition in 1927.....	252	Babbitt Melting Pot, Trent..... 714
Advance Notice of Exposition and List of Exhibitors.....	697, 880	Babbitt Machine, Centrifugal..... 72
Spring Sectional Meeting.....	721	Baker Tool Co.:.....
New Chapter Organized at Dayton.....	724-B	Double-spindle Grinder..... 702
New Local Chapter Formed at Columbus.....	732	Leaf Spring Grinder..... 868
American Society for Testing Materials:.....		Baker Bros., Inc.:.....
Thirtieth Annual Meeting.....	732	Hydraulic Boring and Drilling Machine..... 541, 706
American Society of Mechanical Engineers, The:.....		Bakewell, George M., Personal of..... 400-A
Meeting of Machine Shop Practice Divisions.....	19	Balancing, Balancing Machine, Gisholt Static..... 634
A. S. M. E. Elects Officers.....	175	Balancing Machine, "Micro-Poise"..... 147
Advance Notice of Annual Meeting.....	249	Balancing Machine, Tinius Olsen..... 470
Progress in Machine Shop Practice.....	419	Balancing Scale, Olsen-Lundgren Weighing..... 320-A
Machine Shop Meeting in Chicago.....	576	Balancing Ways, Charles Kuzler..... 215
		Ball-bearing Motors, Lincoln All-steel..... 797
		Ball Bearings, Fafnir Molybdenum Steel..... 792
		Ball Bearings in Airplane Engines..... 365
		Ball Bearings, Schubert..... 80
		Ball Bearings, Use of Angular Contact, T. C. Delaval, et al..... 406
		Balls for Brinell Test, Improved..... 557
		Bar for Heavy Work, Lifting, H. L. Wheeler..... 779
		Barnard, William J.:.....
		Roller Bearings for Milling Machine Spindles..... 721
		Barnes Drill Co.:.....
		Drilling and Tapping Machine..... 790
		Gang Drill..... 870
		Bar Stock with Minimum Effort, Handling..... 569
		Barr, James W., Personal of..... 320-D
		Barr, John F., Personal of..... 640-A
		Bartlett, G. M.:.....
		High-speed Chain Drives..... 259
		Base, Haskins Flexible-shaft Equipment..... 148
		Bausch & Lomb Optical Co.:.....
		Diamonds in the Machine Shop..... 241
		Bayle, R. M., Personal of..... 320-D
		Beam Compass, Extension for, Walter S. Brown..... 855
		Beam Trammels for Accurate Work, Philip F. Shafan..... 372
		Bearing, see Ball, Roller, etc.....
		Bearing Bracket, Forging Die for Self-aligning, H. E. Hermann..... 694
		Bearings, Boston Gear Works Outboard..... 878
		Bearings, Hyatt Railroad Journal-box..... 953
		Bearings, Adjustable Die-stock..... 141
		Bel-Kel Mfg. Co.:.....
		McCarters Universal Vice..... 389
		Bell, Fred G., Personal of..... 640
		Belt Drives, Quarter-turn..... 671
		Belt on Revolving Pulley, Precautions in, James H. Rodgers..... 265
		Belts, Care and Installation of, James H. Rodgers..... 166
		Bench Worker, Folding Shelf for, P. C. Grose..... 16
		Benches for Air Pump Repairs, W. M. Cavin..... 8
		Bender and Punch, Whitney Notcher..... 548
		Bender, Whitney Combination..... 391
		Bending and Straightening Machines, Horizontal..... 792
		Bending and Straightening Presses, Power..... 394
		Bending Roll, Wickes Plate..... 231
		Bending Tool, Handy Pipe, R. M. Thomas..... 859
		Bends, Expansion..... 198
		Bends in Sheet Metal, Allowance for, Edward T. Heard..... 373
		Benedict, J. C.:.....
		Some Problems in Machine Tool Manufacture..... 499
		Berger, O. J.:.....
		Brass Forgings..... 299
		Berghausen Machine Co.:.....
		Sensitive Drilling Machine..... 147
		Bethel-Player Co.:.....
		Lapping Machines..... 385
		Bench Laps..... 636
		Betts Works of the Consolidated Machine Tool Corporation of America:.....
		Car-wheel Boring and Facing Mill..... 556
		Bevel Gear Generator, Gleason..... 631
		Beveling, Crankshaft Cheeks..... 907
		Bids, Detail Drawings with..... 444
		Billets for Die-forging, Sawing Up..... 23
		Billings & Spencer Co.:.....
		Adjustable Strap Clamp..... 635
		Bilton Machine Tool Co.:.....
		Double-spindle "Producto-Matic"..... 542
		Automatic Cam Milling Machine..... 625
		Binford, O. F.:.....
		Keeping Salesmen Waiting..... 24
		Bishop, E. G.:.....
		Coolant System for Machine Tools..... 773
		Bitting, George L., Personal of..... 724-B
		Bittling, Fixture for Resharpener Hollow-mill..... 794
		Blake, Edward, Personal of..... 480-A
		Blakesley, William H.:.....
		Increasing Tool-room Efficiency..... 609
		Blanchard Machine Co.:.....
		Vertical Surface Grinder..... 549
		Reaming Machine..... 707
		Demagnetizer..... 710
		Surface Grinder for Asbestos Clutch Facings..... 871
		Blasting Die, Scrap Cutters for, Sam Kaufman..... 615
		Blanking Dies, Paper Tests for, Henry Simon..... 687
		Blettner Co., George H.:.....
		"Squared" Piston Alignment Fixture..... 146
		Blis Co., E. W.:.....
		Mechanical Feeds for Power Presses:.....
		1..... 161
		2..... 266
		Block and Clamp, Brown & Sharpe Handy..... 154
		Blood, H. L.:.....
		Designs Simplified by Electrical Means..... 481
		2..... 585
		Blount Co., J. G.:.....
		Motor-driven Speed Lathe..... 551
		Blowpipe, "Prest-O-Weld"..... 476
		Boehner, George, Personal of..... 240
		Boggs, R. W.:.....
		Choosing a Welding Rod..... 539
		Roll Threading Machine, "Raproduction"..... 468
		Bonney Forge & Tool Works:.....
		Wrench Set..... 156
		Right-angle Wrenches..... 317
		Detachable-head Socket Wrenches..... 390
		Bonus Systems of Wage Payment..... 247
		Bonus Systems, Wage Payment and, J. Seton Gray..... 30
		Booklet, The Value of a Repair Parts, Harold B. Schott..... 366
		Boosters..... 198
		Booster..... 198
		Beaver Adjustable Die stock..... 141
		Boring and Drilling Machine, Baker..... 541, 706
		Hydraulic.....
		Boring and Facing Machine, Bullard Driving-box..... 68
		Boring and Facing Mill, Betts Car-wheel..... 556
		Boring and Facing Tool, Combination, Robert Kimmer, Jr..... 294
		Boring and Turning Mill, Niles-Bement-Pond..... 703
		Boring-bar, Steadyrest for, J. R. Phelps..... 501
		Boring Fixture for Connecting-rod, E. P. Stoutenger..... 130
		Boring Large Motor Frames..... 124
